

Gwaith Cartref – Dosarth dau

BINGO

Use objects around your home. How many ways can you make 10 or 20? $6 + 4 = 10$ $15 + 5 = 20$	Draw and write 3 facts about someone interesting to you. 	Create a picture of a favourite animal. 
Write about and draw a picture of a weekend activity e.g, trip to the park. 	Play a game/sport outdoors with family members 	Outdoor Maths task – create a pattern. 
Read a book and write about it or describe it using a video recording. 	Build and create a model – you could use lego or junk modelling. 	Do something active! 
Help your grown-up with a job (your grown-up gets to choose!) 	Write about or draw your favourite book or film character. 	Help an adult with a cooking activity! 

Here are 12 activities to be completed as homework during the Autumn Term.

Choose one activity to complete each week.

Once you have completed an activity,
you can upload a photo to Seesaw or send it into school.
